Stephen Foster Corporate Law

Stephen graduated from Cambridge University and went on to train, and subsequently work, as a corporate solicitor in the City of London and in Hong Kong. He joined Berg Legal as a partner in 1992.

Stephen now balances his time between handling corporate deals, supporting Manchester United and keeping fit.

His experience spans a wide range of corporate, corporate finance and banking work. Career highlights include two rail privatisations, a port privatisation and the first ever issue of publicly listed stock by a university.

Stephen is driven by a desire to finish a deal with a satisfied client. His philosophy is that any solicitor can find a problem, but it takes a good solicitor to find the solution.
